Pennsylvania MGMA Names PMSLIC Exec to Board

Mechanicsburg PA (January 3, 2012) — The Pennsylvania Medical Group Management Association (Pennsylvania MGMA) has named Lisa Burello, Sales Operations Leader for PMSLIC Insurance Company, as the Affiliate Representative on the association's board of directors for 2012.

The Pennsylvania MGMA membership includes practice managers and executives of many Pennsylvania medical groups, as well as other professionals in the healthcare industry. The organization has more than 340 members statewide and represents over 5,000 physicians. The members come from over 200 medical and surgical practices in various practice settings, including private practice, academic and hospital practice, and integrated delivery systems. Approximately 87 percent of medical practice members serve in leadership positions in their medical practice.

Burello has worked for PMSLIC for eleven years, first in the Claims Department, then in the Communications Department, and currently in Sales & Marketing. For several years she has been an individual member with the association, has attended many of its meetings, and has participated as a volunteer on one of the association committees.

According to Pennsylvania MGMA Executive Director Peter Constantinou, board members are responsible for the overall performance and strategic direction of the association.

PMSLIC Insurance Company is the carrier of choice for medical professional liability insurance among physicians in Pennsylvania and Delaware. As part of the NORCAL Group, the company is wholly owned by NORCAL Mutual Insurance Company.
